

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MASSACHUSETTS**

AMAZIN' RAISINS INTERNATIONAL, INC.,

Plaintiff,

v.

OCEAN SPRAY CRANBERRIES, INC.,

Defendant.

Civil Action No. 1:04-cv-12679-MLW

DECLARATION OF MICHAEL E. ZELIGER, ESQ.

I, Michael E. Zeliger, declare:

1. I am a partner in the law firm of Kirkpatrick and Lockhart, Preston, Gates, Ellis ("K&L Gates"). For a period of time during this litigation, I was a principal in the law firm of Fish & Richardson P.C.

2. I make this declaration of my own personal knowledge, and if called upon as a witness would testify to the facts set forth below.

3. I served as lead counsel for the defendant in this action and was primarily responsible for the matter since it was transferred to this Court.

4. I submit this declaration in support of Ocean Spray's motion for an award of reasonable attorneys' fees.

5. In this declaration, I provide to the Court information relevant to those factors which various courts have indicated are appropriate for consideration in determining reasonable attorneys' fees in patent litigation disputes.

6. I graduated from Cornell University with B.S. degree in 1992. I attended Vermont Law School where I received J.D. and M.S.E.L. degrees in 1996.

7. I am certified in trial advocacy instruction by the Nation Institute for Trial Advocacy and I have served as an adjunct faculty member of the Boston University Law School where I taught trial advocacy with an emphasis on patent litigation.

8. I have been specializing in intellectual property litigation, with an emphasis on patent litigation, for approximately nine years, first as an associate at Fish & Richardson, P.C., then as a principal with that firm and now as a partner at K&L Gates. During that time I have worked on more than thirty patent litigations and numerous other intellectual property litigations. I am currently lead trial counsel on approximately ten patent litigations.

9. I was assisted throughout this litigation by William R. Woodford, an associate with Fish & Richardson, P.C.

10. Mr. Woodford graduated from Marquette University with B.S. in Electrical Engineering in 1998. He received a J.D. from the University of Minnesota in 2002.

11. Mr. Woodford has worked almost exclusively in intellectual property matters and specifically patent litigation since he began with Fish & Richardson in 2002.

12. My hourly rate during this matter has ranged from \$400 to \$525. Mr. Woodford's hourly rate has ranged from \$250 to \$335.

13. I am generally familiar with the hourly rates for patent litigators with similar ranges of skill and experience in this District. My rates and Mr. Woodford's rates have been commensurate with our peers during this time frame.

14. I have reviewed, and attached as Exhibit A, the original invoices that Ocean Spray received from its counsel in connection with this matter. These records, to the best of my knowledge, accurately reflect the hours and fees indicated.

15. I attach as Exhibit B a summary of the rates and fees invoiced to Ocean Spray associated with my and Mr. Woodford's work on this matter.

16. In my opinion, the amount of time spent on Ocean Spray's behalf on this matter was reasonable, and indeed is less than average for a case of this complexity, length of time and potential exposure.

17. This patent case has been pending for over five years. Ocean Spray developed numerous defenses including noninfringement, invalidity, unenforceability and lack of ownership. Issues of scientific fact needed to be analyzed and presented to the court, and issues of claim construction and patent law had to be briefed and decided by the Court.

18. Ocean Spray's total fees incurred were modest for a patent case in Boston.

19. The fee charged was hourly.

20. The results obtained were excellent for Ocean Spray.

21. As indicated above, the experience, reputation, and ability of Ocean Spray's attorneys were appropriate for this case.

22. Because the fees requested are relatively low, Ocean Spray expects that fee awards in similar patent infringement cases would be significantly higher than those requested by Ocean Spray.

23. In the interest of simplicity and in being conservative I have excluded all other fees and expenses incurred by Ocean Spray in defense of this matter.

Signed under penalties of perjury, this 14th day of September in Boston, Massachusetts.

/s/ Michael E. Zeliger
